Ports-to-Plains Alliance Energy Summit

North America’s Energy Corridor

April 20, 2012

Vicky Steiner, Executive Director
ND Association of Oil and Gas Producing Counties
Mortgage Delinquency Rates
Dr. Tutterow, Mercer University
We will be closing at 2:00pm today due to lack of help. Sorry for any inconvenience. Mgmt.
Employment by State (2009-2010)

Dr. Tutterow
North Dakota Bakken
Hunt Oil Company

Proposed completion configuration for 640 acre horizontal Bakken wells

Mechanically isolated fracture treatment stages provide for more effective stimulation of entire Bakken pay interval.
**Hydraulic Fracturing**: Mixture of water, sand and chemicals pressurized and pumped into the well to form microscopic fractures in shale.
Vision West ND Regional Consortium
