

22ND ANNUAL PORTS-TO-PLAINS CONFERENCE *SPONSORSHIP OPPORTUNITIES*

OCTOBER 15-17 2019 · WILLISTON, NORTH DAKOTA

Ports-to-Plains Alliance is a grassroots association of communities, organizations and businesses from Mexico through nine U.S. states into Canada. Its mission is to advocate for a robust transportation infrastructure along with the region's key economic sectors such as food, fiber, fuel, energy, industry and tourism in order to promote economic security and prosperity throughout North America's energy and agricultural heartland. This corridor of national significance connects the major oil and gas plays across North America including the Bakken, Niobrara, Permian, and Eagle Ford.

Theodore Roosevelt Expressway is the northern third of the Ports-to-Plains Corridor and is a vital partner of the Ports-to-Plains organization. TR Expressway is a major transportation corridor and primary delivery artery serving the Williston Basin. Along the TR Expressway, you will find the entrance to Theodore Roosevelt National Park with an incredible view of the badlands, colorful landscape and different types of wildlife.
