

PORTS-TO-PLAINS

ALLIANCE

Securing the Benefits of Commerce to
North America's Energy & Agricultural Heartland

Ports-to-Plains Members:

It will not be possible to hold a Washington DC Fly-in this year, however there is significant need, with the potential of Transportation Reauthorization and Infrastructure legislation, to advocate as an Alliance for our policy positions.

We are first creating a pool of interested leaders who are willing to participate in Congressional Office visits. That is the purpose of this document.

Once we have the pool, we will attempt to schedule the individual congressional office meetings and then ask members of the pool if they will be available for that specific day and time.

Please save this form with a filename like *ptp_virtual_your_name.pdf* and return to joe.kiely@portstoplains.com
